1. Introduction and Overview

1.1 Mayor's Foreword

Still awaiting.

1.2 Overview of the Municipality

The Municipality has a population size of 35 822 inhabitants, its urban population of 25 714, its Rural population 10 108 and its surface area is 1002, 80 km².

- ➔ Siyancuma Municipality was established on the 4th of December 2000 through a section 12 notice as published in the Extra Ordinary Northern Cape Provincial Government Gazette Number 562 Notice Number 30 of 2000 as published on the 3rd of October 2000.
- ➔ It is established as a Category "B" municipality falling within the Category "C" municipality of Pixley ka Seme District Municipality.
- ➔ The seat of the municipality is Douglas.
- ➔ The municipality includes former Transitional Local Councils of Douglas, Griekwastad and Campbell.
- ➔ Siyancuma Municipality is made up of the following towns; Belmont, Bucklands, Campbell, Douglas, Graspan, Griekwastad, Heuningneskloof, Plooyburg, Salt-Lake, Schmidsdrift and Witput
- ➔ The total Geographic municipal area is about 1002, 80 square kilometers (10 000 ha).
- ➔ 7% of this area is for residential purposes while the remainder is for different other purpose that includes mining and farming.
- ➔ Bucklands and Schmidsdrift are two land restitution cases within our municipal area where the land belongs to the claimants and not to the municipality.

1.3 Executive Summary

The strategic priorities for the Siyancuma are set out in the Integrated Development Plan which is reviewed on an annual basis and substantially revised every five years as prescribed by legislation. The IDP is the core document against which the town's performance is measured in this arrival report.

MUNICIPAL TRANSFORMATION AND ORGANISATIONAL DEVELOPMENT

1. To strengthen the legislative role of council and give effect support to council to ensure the realization of the vision of the municipality and the aspirations of the people of Siyancuma.
2. To develop a positive organizational ethic and culture through effective utilization of human resources, legislative guidelines and policies, skills development and policies of council
3. To enhance communication and liaison to involve all stakeholders in active municipal structures and programmes to enhance understanding, partnership and commitment
4. To develop a monitoring and evaluation system which will enable the municipality to critically keep track of the strategic direction in which the municipality is heading.

BASIC SERVICES DELIVERY

1. To reduce infrastructure backlogs and ensure that communities develop in a sustainable and qualitative manner
2. To provide a reliable service in line with the vision of council for people of Siyancuma to uphold the council's values for development.

LOCAL ECONOMIC DEVELOPMENT

1. To stimulate local enterprise development through sound entrepreneurial support systems.
2. To stimulate economic growth through infrastructure investment and development within the municipality and empower the community through linking with projects that are labor intensive.

MUNICIPAL FINANCIAL VIABILITY

1. To improve the financial viability of the municipality through the development and design of improved credit control and debt collection mechanism to ensure revenue enhancement within the municipality.

GOOD GOVERNANCE AND PUBLIC PARTICIPATION

1. To strengthen the office of the Mayor and the Councilors in order to ensure that the municipality is in a position to strengthen its capacity to synergize community participation in the affairs of the municipality.

Vision:

- ➔ A sustainable and economically viable community where residents enjoy a high quality of life.

Mission Statement:

To economically and socially develop and empower the community through transparent, accountable, and democratic governance and by utilizing all available resources and human skills.
